The image shows the front cover of an antique book. The cover is decorated with a complex marbled paper pattern, featuring large, dark, irregular shapes filled with smaller white and light-colored spots and veins. A central, vertically oriented rectangular label with slightly irregular edges is pasted onto the cover. The label is white and contains handwritten text in a cursive script. The spine of the book is visible in the center, showing a plain, light-colored material.

The image shows the front cover of an antique book. The cover is decorated with a complex marbled paper pattern, featuring large, irregular, light-colored shapes (possibly representing stones or clouds) set against a darker, more intricate background. The central part of the cover is a plain, light-colored rectangular area. On this central area, there is a white, octagonal label with a thin black border. The label contains the title and date in a cursive script. The book's spine is visible on the left, showing a similar marbled pattern.

The image shows the front cover of an antique book. The cover is decorated with a complex marbled paper pattern, featuring dark, swirling veins and large, irregular, light-colored patches that resemble stone or organic forms. A central, vertically oriented rectangular label with slightly irregular edges is pasted onto the cover. The label is light-colored, possibly cream or off-white, and contains handwritten text in a cursive script. The text is arranged in three lines: 'Tax Book' on the top line, 'Ward No 12' on the middle line, and '1812' on the bottom line. The book's spine is visible on the left side, showing a similar marbled pattern. The overall appearance is that of a well-preserved historical document.
